

Rolling Out the Big Guns

WHEN ASKED WHY KLEIN & WILSON CHOOSES to remain a small firm, Mark Wilson said, "We want to be Rolex, not Timex," and Klein & Wilson runs like a Swiss watch. Efficiency is critical when Klein & Wilson routinely tries cases against the world's biggest law firms.

Klein & Wilson represents some of the largest companies in the nation on the defense side and has recovered more than \$60 million for a variety of clients on the plaintiffs' side. Not only has the Orange County legal community honored the firm, but Martindale-Hubbell® has as well, awarding the firm an AV rating. Both principals have been selected in *Super Lawyers*® the last four years. In 2003, the Orange County Trial Lawyers Association selected Gerald Klein as the Business Litigation Trial Lawyer of the Year, and he is currently on the board of governors for the Association of Business Trial Lawyers. Mark Wilson is in line to be president of the Orange County Trial Lawyers Association.

When one client was asked to explain his loyalty to the firm, he said, "Klein & Wilson provides the best legal services available at a fraction of the price I would pay larger firms. Why wouldn't I hire Klein & Wilson?"
